UNCF - Who We Are

Vision

UNCF envisions a nation where all Americans have equal access to a college education that prepares them for rich intellectual lives, competitive and fulfilling careers, engaged citizenship and service to our nation.

Mission

UNCF's mission is to build a robust and nationally recognized pipeline of underrepresented students who, because of UNCF support, become highly qualified college graduates and to ensure that our network of member institutions is a respected model of best practices in moving students to and through college.

Impact

- Our UNCF Walk for Education will remain focused on supporting HBCUs and the students they serve.
- The UNCF Walk for Education is a nationwide initiative to raise funds for and awareness about our 37 member institutions. This event will also help raise unrestricted funds for UNCF to enable us to provide necessary support for our students and schools. Join us by becoming a sponsor today.
- UNCF has set a goal of \$2 Million nationally for the UNCF Walk for Education. To help us achieve this ambitious goal, we invite you to support the UNCF Walk for Education by choosing from one of our sponsorship levels.
- Your sponsorship helps support UNCF programs and scholarships that benefit our 37 member HBCUs and students in need across the nation.

UNCF Facts

Our Students

Today, 60% of students supported by UNCF are the first in their families to attend college; 62% are from families with an annual income of less than \$25,000; and 93% qualify for financial aid.

Scholarship and Fellowship Programs

When you support UNCF, you are investing in a future where every student—regardless of race, background, or circumstance—has the opportunity to succeed. Together, we can build better futures—one scholarship at a time.

Fundraising Efficiency

UNCF has raised more than \$6 billion, more than \$1.6 billion of which has been raised in the past decade alone, to enable more than 500,000 deserving students to earn the college degrees they want and need but might not otherwise be able to afford.

- UNCF maintains a low-cost ratio of 8% of total revenues.
- BBB Wise Giving Alliance and Charity Navigator, non-profit watchdogs, have given UNCF high ratings for standards of charity accountability.
