ABOUT THE UNCF SAN ANTONIO LUNCHEON

Executive Summary

UNCF seeks your partnership for the 2027 San Antonio Leaders' Luncheon.

Your sponsorship is more than philanthropy—it's a strategic investment in the future workforce and the communities we serve.

This year's luncheon will feature an inspiring and dynamic panel discussion, *Women Who Lead*, featuring prominent female leaders across sectors, spotlighting leadership, innovation, and community impact. We will also celebrate and honor extraordinary women who have made a significant impact locally, statewide, and nationally.

Net proceeds from this event will directly support UNCF's mission to eliminate financial barriers to higher education for talented students. By partnering with UNCF, your company helps unlock opportunities for students to earn college degrees and become the next generation of skilled professionals.

Unite with us for a day of empowerment and celebration, all in support of education and opportunity!

Why It Matters

- College graduates earn significantly higher incomes and are more likely to become leaders in their fields.
- Your support helps develop future teachers, engineers, physicians, business leaders and innovators.
- Partnership enhances your company's visibility, strengthens community ties and supports long-term economic growth.

Together, we can create lasting impact—empowering students, strengthening communities and building a more prosperous future.
